

RESOURCES

Organisations

Julie's Bicycle <https://juliesbicycle.com/>

Julie's Bicycle is a pioneering not-for-profit, mobilising the arts and culture to take action on the climate and ecological crisis.

Julie's Bicycle
CREATIVE • CLIMATE • ACTION

Music Declares Emergency <https://musicdeclares.net/gb/>

Music Declares Emergency is a group of artists, music industry professionals and organisations that stand together to declare a climate and ecological emergency and call for an immediate governmental response to protect all life on Earth.

A Greener Festival <https://www.agreenerfestival.com/>

A Greener Festival is a not-for-profit company, committed to helping events, festivals and venues around the world to become more sustainable and to reduce environmental impacts.

Earth Percent <https://earthpercent.org/>

EARTH / PERCENT

EarthPercent is a charity providing a simple way for the music industry to support the most impactful organisations addressing the climate emergency.

ecolibrum <https://ecolibrum.earth/>

ecolibrum

ecolibrum aims to work with hundreds of organisations, artists and individuals to tackle thousands of tonnes of travel emissions, through investment in supporting ecosystem protection, regeneration and clean energy.

Live GREEN <https://livemusic.biz/live-green/>

At LIVE we recognise the global climate and biodiversity crisis as the greatest threat to humanity, and understand the importance of collaboration and community in building a sustainable society. We want to enable all in the live music

industry to commit to climate action by providing the necessary support, resources and advice.

Climate Music Pact <https://www.musicclimatepact.com/the-pact>

To harness the power of the music industry towards inspiring transformational action on the climate crisis. By aligning as a sector, we stand to de-politicise sustainability and address our biggest environmental impacts in an efficient and collaborative way.

Nest Collective <https://thenestcollective.co.uk/>

The Nest Collective is a leading force in contemporary and cross-cultural folk music. They bring people together to experience extraordinary music, rekindling connections with nature, tradition and community.

Australia's Environmental Music Prize <https://environmentalmusicprize.com/>

Artists can create a new narrative, help us to dream big and have the power to influence vast audiences that bridge the climate divide. By helping them to speak out about the climate crisis, we will engage millions of music lovers from across the political spectrum and make climate action cool.

Money & Merch

Switch It <https://switchit.green/>

Switch It is a not-for-profit organization that makes it easy for anyone to move their money out of institutions that fund fossil fuel companies.

TeeMill <https://teemill.com/>

Sustainable UK print-on-demand supplier for a renewable, circular future.

NO ENCORE.

No Encore Apparel <https://noencoreapparel.com/>

A sustainable future for music merchandise. Vintage and secondhand clothing reimaged, repurposed and reprinted to make your merch.
